EMEA Owner Data Transfer Request (EMEA to TC)

Solution

Step 1:

1. http://plm.fiat.com/driveIT/docum_DISTRIBUTION.htm

Download the CAD Parts Authorization Sheet, excel file.

Step 2:

1.Fill that sheet with required mentioned details.

2.Get email approval from system responsible person populated in CAD Authorization Sheet once filled project and system details

Step 3:

Raise a Drive IT request and attach the filled excel sheet and approval email in that request then submit it.
